Schedule C, Part II-B, Line 1 - The Child Neurology Foundation aims to raise awareness, influence policy changes, and improve the lives of children facing neurological challenges and their families. We engage in lobbying activities to directly communicate our organization's goals and perspectives to policymakers. In building relationships with legislators and their staff, we work to educate them about the needs and concerns of children with neurological conditions and their families. Our lobbying efforts focus on proposing and supporting legislation that promotes access to quality healthcare, inclusive education, and social support systems. To strengthen our advocacy efforts, we conduct comprehensive research and analysis of existing policies related to children with neurological conditions. By studying the current legal and regulatory framework, we identify gaps and areas that require improvement. Our research findings inform our lobbying strategies and enable us to propose evidence-based policy solutions that address the specific needs of the children and families we serve. We actively collaborate with other nonprofits, advocacy organizations, and stakeholders working in the field of children's neurological conditions. Through these partnerships, we amplify our collective voice and advocate for common goals. By joining forces, we enhance our advocacy impact and create a united front in advocating for policy changes that benefit children with neurological conditions and their families. We engage our community members, volunteers, and families affected by neurological conditions to participate in our advocacy efforts. **Part IV Supplemental Information.** Provide the information required in Part I, line 2; Part III, column (b); and any other additional information.

Schedule I, Part I, Line 2 - Since 2001, the CNF has attracted premier young investigators for its awards. We publicize the award to request candidates with the American Academy of Neurology; Professors of Child Neurology; Child Neurology Society; and the American Academy of Pediatrics. Applications reviewed via a defined methodology community. Upon grant award, recipients sign a contract with CNF which outlines expectations for reporting during and at the conclusion of the grant award. CNF manages the execution of the grant administration and reporting throughout the grant duration. Child neurologist researcher applicants are asked to submit a letter of application. These letters are ranked by a committee of well-respected child neurologists. (Members avoid conflict of interest by recusing themselves.) Top contenders are invited to submit full applications. CNF uses a hybrid of the NIH research application. The committee then ranks and submits the top applicant to the CNF Board of Directors for confirmation. Outside donors are not involved in the selection of the awardee or any guidelines regarding the use of research funds. Grant award checks are never made payable to the individual researcher. Rather, checks are made payable to the institutions for which they either work or go to school. Reports are required of the researcher at the midpoint of their research in the form of progress reports and at the end to show the results of their research. In the case of scholarship recipients, the same is true. Check are made payable to their institution and their reports are due at the end of their research. Additionally, starting in 2016, CNF provided grants to support organizations' efforts in increasing infantile spasms awareness. To be eligible for an award, an organization needs to be a member of infantile spasms action network and complete the grant application. If all criteria on the application was met, then the organization was cut a check. Each organization awarded was required to submit a reconciliation report 90-days after the completion of their awareness building activity concluded. CNF also provides grants to support projects that improve the quality of care provided to patients and families at the clinic level. These projects can be things like quality improvement projects, research projects, or other clinic process improvements to directly improving the relationships between families and medical professionals.

Schedule I, Part II, Line 1 - PERF GRANT DESCRIPTION: The Pediatric Epilepsy Research Foundation, PERF, has partnered with the CNF Research Grants Program annually since 2001. Their mission is to enhance the quality of life of children (and their families) with epilepsy and/or other neurologic disorders. PERF supports research primarily in pediatric epilepsy and/or all areas of pediatric neurology research. PERF also supports education and recruitment of young physicians in the field of child neurology. Schedule J, Part I, Line 1a - In 2022 the Foundation provided the Executive Director with the benefit of Delta Skyclub Membership. Receipts were required to substantiate the expense.

Schedule J, Part I, Line 3 - Child Neurology Foundation contracted with TriNet, a cloud-based professional employer organization (PEO), and all employees of the CNF are co-employees with TriNet. The CNF's Board of Directors is responsible for hiring and setting the compensation of the Executive Director. The Board employs procedures including: a separate compensation committee, use of a compensation survey/study, review of other organization's 990s, and no involvement of persons with conflict of interest. The Board last set compensation in 2022.

Schedule J, Part I, Line 4 - A former employee holding a senior position received severance pay which is accrued in the Foundation's 2022 personnel expenses as well as included in Part VII, Column F "Other Compensation" as well as in Schedule J, Column C "Retirement and other deferred compensation".

Schedule J, Part I, Line 7 - All Foundation staff are eligible for an annual bonus, typically paid in January for the prior year's work. Due to the reporting requirements of Schedule J, the 2021 bonus paid in 2022 is reflected in part B column ii, and the deferred bonus for 2022 is included in Column C. This results in a double counting of bonus income. Similarly, on Part VII the 2021 bonus paid in 2022 is included in column D, and the deferred bonus for 2022 is included in Column F. The Board Compensation Committee determines the bonus of the Executive Director based on the year end performance review. The Executive Director determines staff eligibility based on annual performance reviews.

Form 990, Part III, Line 2 - The Neurology Social Services Network (NSSN) was launched by CNF in 2022 to help patient advocacy organizations refer families to local service organizations to address social determinants of health. Some examples of services for families include access to food shelves, transportation assistance, and housing assistance. The program also tracks the outcomes of those referrals, measures the impact of organizational programs, and collaboratively aggregates data about how patient advocacy organizations are making an impact.

Form 990, Part VI, Section A, Line 4 - During the fiscal year 2022, Child Neurology Foundation made significant changes to its governing documents. These changes were implemented to enhance the organization's governance structure, ensure compliance with evolving legal and regulatory requirements, and to adapt to the evolving needs of our organization and the communities we serve. These changes were undertaken after thorough review and deliberation by the Board of Directors and in consultation with legal counsel to ensure compliance with all relevant laws, regulations, and best practices. It is important to note that these changes do not impact the tax-exempt status of the Child Neurology Foundation. The organization continues to operate exclusively for charitable purposes as defined under section 501(c)(3) of the Internal Revenue Code. **BYLAWS AMENDMENTS:** The Child Neurology Foundation amended its bylaws to reflect updated language and provisions that align with the organization's current operations and strategic direction. These amendments include updated headquarters address, board meeting requirements, and the addition of the Finance Committee established in 2019. **ARTICLES OF INCORPORATION AMENDMENTS:** Amendments were made to Child Neurology Foundation's Articles of Incorporation to update the organization's purpose statement, ensuring it accurately reflects its mission and activities. Additionally, clarification was made for allowable advocacy activities, to comply with applicable state and federal laws and regulations.

Form 990, Part VI, Section B, Line 11b - The Executive Director/CEO, Treasurer, Director of Accounting and Finance, and external counsel undertook extensive review of the draft form 990 prior to presenting to the finance committee for review. The final form 990 is presented to the board of directors for their review and approval prior to filing.

Form 990, Part VI, Section B, Line 12c - The Foundation has a conflict of interest policy covering all board members and any other person who has an official position with the Foundation. Board members complete a conflict of interest policy form on an annual basis which is monitored and previewed by the board officers after submission. If a director is uncertain whether a conflict of interest exists, the conflict of interest policy states that it is better to err on the side of disclosure. When a director is aware of a potential conflict of interest the director must promptly disclose that conflict to the chair or to the full Board, as appropriate. The board would determine the severity of the conflict and the appropriate action to take, including omission from voting on any related matters and document in the meeting minutes. In certain cases a director may be removed from the official Foundation capacity if they are not able to divest from the conflicting relationship.

Form 990, Part VI, Section B, Line 15 - The Foundation's executive committee is responsible for hiring and setting the compensation of the executive director. The committee employs procedures (use of compensation surveys and board approval) and last set compensation in 2022.

Form 990, Part VI, Section C, Line 19 - The Foundation does not make its governing documents or conflict of interest policy available to the public. The most recent three years of IRS Form 990s and Audited financial statements are available at <https://www.childneurologyfoundation.org/about-cnf/>

Form 990, Part VII, Section B, Line 1(B) - Digital Health Solutions LLC: Development of the Child Health Improvement through Computerized Automation - Child Neurology

Form 990, Part IX, Line 11g - The Child Neurology Foundation spent \$583,705 in 2022 on contractor/service providers with specialized skills to assist with program management, advocacy, meeting and event facilitation, and marketing. The Foundation also spent \$443,470 on a contract with Digital Health Solutions LLC for the development of the Child Health Improvement through Computerized Automation - Child Neurology.
